

Thank you for joining New City Farm in 2018! Purchasing a share in our farm means you get great local produce, and you help provide employment and job skills training for 12 high school students. Farm shareholders purchase a share of the farm’s produce for a given year. As a co-owner in the farm, *shareholders take on both the risk and the reward of each unique growing season.* While we aim to provide our shareholders with a 30% discount on their produce compared to natural no-spray (non-certified organic) produce at a local farmer’s market, a good growing season will mean a little more food, and a difficult year will mean a little less.

We harvest and wash all of your produce except cherry tomatoes, beans and peas. We invite customers to U-pick these items. Typically 12 of our 22 pickups will involve U-picks. Each shareholder is given 3 free “get out of U-pick days.” We also offer a season-long “No pick pass” for an additional fee. **This year we are offering Soup Shares!** Get a prepared soup every week with your CSA share. Great for work lunches or quick dinners, we always have gluten free, dairy free, and vegetarian offerings.

Our primary and most popular shares are Summer Shares (May 31 to October 25);

***EBT customers get 50% off any share and can pay weekly (see back for details).**

- 22 week Full Share.** \$495. Meant for a family of four.
 - With No pick pass \$545.
- 22 week Half Share.** \$295. Meant for a family of two.
 - With No pick pass \$320.
- 11 week Quarter Share.** \$195. Takes a half share every other week.
 - With No pick pass \$210.

Extend your season with our Winter Shares (November 1 to December 13);

- Winter Share.** \$225. A 7 week share with a prepared soup each week.

Add a Soup Share (May 31 to October 25);

- Soup Share.** \$150. A 22 week prepared soup share to partner with the summer share.

Our summer share pickup is every Thursday 12:30-6:00pm May 31-October 25 on the farm at 1226 Union NE Grand Rapids MI 49505 (behind 4th Reformed Church). **Winter-** 4:00-6:00 at the same location.

I understand that, as a share member, each year’s produce is subject to seasonal variation, and I have included my full payment for 2018. Checks are payable and mailed to New City Neighbors, 1226 Union NE Grand Rapids MI 49505. If you have any questions contact Alaina Dobkowski at alainad@newcityneighbors.org or at 616-970-4817.

CSA Farm Shares with Double Up Food Bucks

We are excited to offer our CSA farm shares with Double Up Food Bucks. Double Up Food Bucks is a program of the Fair Food Network. Each time a customer spends \$2 with their Bridge card at a farmer's market or at a local farm, Double Up Food Bucks awards that customer another \$2 of Double Up Food Bucks to be spent on Michigan grown fresh produce. When a customer purchases a CSA farm share with us, they can pay for half of their share with their Bridge Card, and Double Up Food Bucks pays the other half. **This means all CSA farm shares are 50% off for EBT customers. In addition, EBT customers pay weekly instead of up front.**

Below is what will be charged to your Bridge Card each week when you pickup your share:

When you purchase a CSA farm share you are not just purchasing food. You are purchasing the seeds, materials and the labor that go into producing your food. Because of this you are responsible for paying for your share even if you miss one of your pickups. If a pickup is missed the customer will be charged for their missed pickup at their next pickup.

I understand that as a CSA farm customer I am committing to purchasing 22 weeks of food from May 31-October 25. I will pay for my share weekly and if I miss a pickup I will make up this payment.
