

Greetings!

Thank you for your interest in becoming a sponsor.

Every day New City Neighbors is providing workforce and leadership opportunities for our youth through our farm, café and community development programs. We empower youth while supplying much needed healthy food to the community at large through farm shares, food assistance programs and supplying food resource centers with 20,000 lbs of produce for households in need.

We need support from neighbors like you to make our mission possible. When you become one of our major sponsors you are presented with the corresponding benefit package on the following pages. Donations can be made via check or online.

Donations for individuals / households are totaled at the end of the calendar year and the corresponding benefits will be given at the start of each new year. Business sponsorship benefits begin the month the sponsorship is received and continue for 12 months.

Email me via sierra@newcityneighbors.org to become a sponsor today! I'm also here to answer any questions you may have. I look forward to connecting with you.

Thank you in advance for your support!

Sierra West-Smith,
Administration and Development Director
